## RUSSIANS AT LAST

### LINE OF LEMBERG DEFENCES

#### Austro-Germans Fighting Within Ten Miles of City

#### HEAVY FIGHTING ON DNIESTER

#### Teutons Pushing Campaign Without Regard to Cost in Lives and War Munitions.

Petrograd, June 19.—The war office today officially admitted that the Russian forces defending Lemberg have fallen back several miles and that the Germans are making progress in their advance on the Galician capital.

Berlin, June 19.—Dispatches received here from the press headquarters of the Austro-Hungarian army indicate that the Russians everywhere have been driven back on their last defenses before Lemberg, running northward south about 10 miles west of Lemberg. The Russian troops along this line comprise the 3d and 8th armies, which after their repulse in May and their retirement from the San front, were again brought up to their normal strength in men and received heavy reinforcements of heavy artillery.

The dispatches say the retirement of the Russians is being effected with considerable disorder. It is added that among the prisoners taken are many territorialists who stated that they drilled for only a fortnight before they were dispatched to Galicia and received rifles only when they were assigned to the division of the reserves.

Having defeated the Russians on the San line, the dispatches say, Field Marshal Conrad von Hotzendorf is now pushing against the crossings of the Dniester, where the heaviest fighting is in progress. The Austro-Germans, it is asserted, are pushing the campaign with the utmost energy and without regard to the expenditure of men or munitions.

Telegram received at Berlin from Bucharest, Rumania, state that the Austro-Germans on the Bukovina front have advanced about 10 miles into Bessarabia, covered by their heavy artillery and now threaten Chotin, northeast of Czernowitz and just across the Russian border. It is added that Austro-Hungarian troops have occupied Novozilica, Russia, across the northern boundary of Rumania on the river Pruth, and have established a number of heavy guns there. The dispatches say that the Russians in their retirement are fighting desperately to defend their home soil and are burning villages behind them and urging the inhabitants to retire with the army.

#### FRANK DECISION MONDAY

Execution of Prisoner Set for Following Day.

Atlanta, Ga., June 19.—Gov. Slaton said yesterday afternoon he had not yet reached a conclusion on Leo M. Frank's application for commutation of his death sentence, and he thought it likely he would not announce his decision until Monday. Frank's execution is set for Tuesday.

#### PLAYGROUND OPENING

Play Activities Will Start Monday, June 21st.

The playground will be officially opened for the children and young people of Bennington Monday afternoon at 2 o'clock. All the old apparatus has been replaced since the fire and several new features have been added as well. Guy Harmon of Springfield College has been engaged to assist on the playground for the summer season. Mr. Harmon has had valuable experience on various Springfield playgrounds during the past year and is especially fitted to supervise the boys' activities here.

This year, two baseball leagues will be conducted, one for senior boys and the other for junior members. Every boy in Bennington who plays the game should sign up with Mr. Harmon at once. It is hoped that various men's teams may be organized into a Twilight League to use the baseball diamond after supper. Two evenings each week will be reserved for the older girls only who cannot come during the afternoon. A series of either basket ball, volley ball or tennis matches will be arranged for the evening work. Miss Vossler would appreciate suggestions from the girls, themselves, as to what most appeals to them.

In general, the plan of activities will follow that of last year, but all lines will be broadened and more fully organized. A happy and wholesome summer is assured all the playground attendants. Start the season right by coming the opening day.

Don't forget the gas cooking demonstration 2:30 and 7:30 p. m., Thursday, Friday and Saturday. Adv.

## LIVE STOCK JUDGING

Prizes Offered to Boys of Bennington County.

One of the new features to be undertaken at the County Fair at Manchester next September is a Stock Judging Contest for boys and young men under 21 years of age. First, second, third and fourth premiums consisting of \$10, \$7, \$5, and \$3 respectively are offered in this contest. The judging will include horses, cattle, sheep and swine, and will be done according to regulations to be announced later. Those contestants whose scoring approaches closest the scoring of the regular judges will receive the premiums. It is possible that the premium winners will be taken to the State Fair at White River Junction to compete in a state wide contest in which larger prizes are offered.

In order that the boys may derive the greatest amount of good from this contest the Extensive Service of the State Agricultural College is sending a representative to Bennington County to co-operate with the County Agricultural Agent in holding several judging demonstrations in the towns of Rupert, Dorset, Manchester, Sandgate, Arlington, Shaftsbury, and Bennington, June 21st to 24th inclusive. At these demonstrations those in attendance will be given instruction in stock judging, the demonstrator going over each class of animals point by point. As these will take place on farms the boys will see as well as hear how it is done. Printed matter will be furnished for subsequent study to those who intend to enter the contest at the fair. Definite announcements of time and place of these demonstrations will be made later by means of posters and circulars.

Boys living on farms or interested in live stock should not fail to attend the judging demonstration held nearest their homes. Farmers should urge their sons to attend a demonstration and accompany them as well. Work of this kind deserves the strongest support possible, and the best support is a good attendance.

#### THE COUNTY PICNIC

Event Promises to Be Bigger than That of Last Year.

All over the county people are busy in preparation for the second annual Bennington County Sunday school picnic and field day at Nichols' grove, Arlington, Friday, June 25th, which promises to be bigger than last year's and with a still more interesting program. The contestants for the pageant are now being skillfully wrought by painstaking women of our schools and the men are at work at various things in the interest of the big day.

Everyone seems to be interested; in going over the county, not one discouraging word has been heard, but instead, everybody seems greatly interested in the event and wishes it success. To the posters of the big hills, one man said, "Tack one up on the front of the church!"—it need not be a second telling, and that bill is there today. Nothing like having everybody working your way and no harping critics by the wayside.

BENNINGTON HIGH SCHOOL BUILDING From Which First Senior Class of Twenty-two Graduated Friday Eve.

## HIGH SCHOOL SENT OUT CLASS OF 22 FRIDAY NIGHT

Graduating Exercises Were Held in Hall of High School

AUDIENCE OF 500 WAS PRESENT

Special Feature of the Program was the Music by Public School Students

The graduating exercises of the high school took place Friday evening at the high school hall which was crowded, every seat being taken. A class of 22 received diplomas.

This is the first class to be graduated from the new high school and the first time in years that the graduating exercises have not been held in the opera house because heretofore the school has had no sufficient hall of its own. Owing to the heat Friday evening the forced ventilation system of the high school building was used at full force and the constant supply of fresh air was greatly appreciated by the audience.

The exercises were fully up to standard and the class of 1915 is considered by the high school faculty to be a credit to the school. The music was furnished by an orchestra from the graded school and a chorus trained by Miss Beebe, supervisor of music, and the musical part of the program evoked much favorable comment.

The hall was prettily trimmed with flowers and greenery and the young men of the junior class acted as ushers. The essays and orations were all good and were warmly applauded. Not a single speaker had to be prompted. The program was as follows:

After the graduating exercises the high school class enjoyed a banquet at the Colonial followed by a dance at the school hall.

## NO. BENNINGTON HIGH SCHOOL.

Graduating Exercises Friday Afternoon at Congregational Church

Friday afternoon at North Bennington, the graduating exercises of the high school were held in the Congregational church. The room had been tastefully decorated with wild ferns, mountain laurel and peonies. The platform was mounted by the class numerals upon a shield of green background as was, also, the class motto, "Alta Petens," both being lettered in gold color.

Six members of the junior class acted as ushers: Herbert Hulett, Joseph Keefe, Jesse Squires, Annie Matteson, Tara Dennison and Marion Eddy.

The following program was carried out and the speakers deserve much credit for the excellence of their efforts:

Of the thirteen graduates, six received diplomas as graduates from the Latin course and seven from the English course. Diplomas were awarded by Principal Kibbey.

Merle Clinton Ross and Marion Luella White received certificates from the University of Vermont, granting one hundred dollar scholarships for one year in that institution. Five of the class expect to enter college, one a business college and others hope to enter normal and agricultural schools. Best of all, the class expects to prove the truth of the statement that 95 per cent of the graduates of the North Bennington High School make a success in life.

#### SACRED HEART ACADEMY

Closing Exercises Held at School Friday Afternoon

The closing exercises of the Sacred Heart academy were held at the school building on School street Friday afternoon when Rev. C. E. Prevost, pastor of the Sacred Heart church awarded the following prizes:

Excellence in grammar, silver medal to Hazel Ladhamme; French reading, Eveline Bellmar; prize for assiduity, Marguerite Galpeau; for reading in French, second division, Marguerite Roy.

#### RECORD CLIMB UP MANSFIELD

Automobile Went from Stowe to the Summit in 65 Minutes

Stowe, June 18.—R. R. McMahon and H. H. Strong made a trip from Stowe to the summit of Mt. Mansfield in a runabout Thursday morning, in an hour and five minutes, going farther beyond the Summit house than any other car has been before. The return was made in 29 minutes. The distance is 10 miles, five of it mountain climbing.

#### SWEDISH FLAG VIOLATED

Used by English in Attack on Submarine.

Berlin, June 19.—It is announced here today that the loss of the famous German submarine U-29 several weeks ago was due to the violation of the Swedish flag by the British.

An English ship flying the Swedish flag approached the submarine and rammed her without warning. The officers and crew were lost.

#### SUNDAY TO SAVE VERMONT

Evangelist B. S. Taylor Seeks Lease of Spring Grove

Brandon, June 17.—Evangelist B. S. Taylor, who is conducting meetings at Brandon, is seeking a lease of the Methodist camp ground at Spring Grove, New Haven, for the purpose of bringing to Vermont Billy Sunday and his party of workers and giving the state the greatest camp meeting it has ever seen.

#### WEATHER FORECAST

For eastern New York and western Vermont probably showers tonight and Sunday. Sunday cooler interior.

## AUSTRIA ADDING TO GARRISONS OF BORDER CITIES

Italians Will Find Tolmino Hard Nut to Crack

#### VETERANS REPLACE GENDARMES

Francis Joseph's Own Troops on Hand to Take Part in Mountain Fighting.

Rome, Jan. 19.—The Italian forces have made more progress in the Carnic Alps and have occupied several Austrian villages.

An Austrian attack on the Italian naphtha supply at Tagliamonte has been repulsed.

Rome, June 18.—The Austrians have now so strengthened their forces that they are taking the offensive both from Mori and Rovereto against the Italians who are camping at Erentonico, which lies at the foot of Mount Altissimo; at Serravalle, situated in the Lagarina Valley, and also in the Arsa Valley. The result of the fighting is still in doubt.

Tolmino, on Austria's battle front to the north of Goritz, is fast becoming a second Przemyel in strength. Already there is a garrison of some 30,000 men there, and in addition it has very strong natural and artificial defenses. Tolmino is considered indispensable by the Italians to their operations, it being the key to the Isosno Valley.

Reports from all the fronts state that strong bodies of first-line Austrian troops, especially the Emperor's own troops, Croats, Bohemians, and Hungarians, have been substituted for the gendarmes, custom guards and soldiers of the Landsturm. All these first line soldiers have been hardened by more than ten months of war and make formidable adversaries. It is reported that Lieutenant General Count Cadorna, Chief of Staff of the Italian army, said regarding these troops: "Now we have seven worth of our steel."

London, June 19.—The British steamer Dulcie of 2000 tons was torpedoed and sunk last night with the loss of one man.
